Broadway lampshade in polished metal with E27 fitting
Finish: Black

Description

A great design classic: the **enameled metal lamp** remained a must in home decor for over fifty years. The Broadway model, with its cut-out shape, **calls the lamps used in the world of theatre and cinema**, allowing anyone to recreate an **industrial style** perfect in their own environments. The oblique line of the opening and its large diameter diffuses a pleasant light, the white enamel on the inside of this lampshade will allow the light to diffuse creating a pleasant and unique atmosphere. Create a **suspension lamp ideal for lighting living rooms and reading corners** by adding one of our E27 lampshade lamp holder and complete your installation with one of our fabric covered cables: there are many colours available

Choose the lampshade finish that best suits your furnishing requirements and don't forget to buy the bulb! We recommend one of our **Vintage LED lamps**.

Attention! Bulb and lamp holder NOT included.
