Cylinder fabric lampshade with E27 fitting - 100% Made in Italy
Finish: Glossy white linon

Description

The Cylinder fabric-covered lampshade is a simple and elegant addition to your lamp, thanks to its practical E27 socket. Ideal for creating table lamps, wall lights, original ceiling lights or pendant lamps, this classic lampshade will add a touch of elegance to any room.

Depending on the chosen colour palette, it can create a more classic or modern atmospheres: darker shades are perfect for elegant bedrooms, while brighter colours are great for both the children's room, and modern living rooms. The raffia finish will give a natural, almost ethnic, look to your indoor spaces.

Cylinder is **100% made in Italy**, in a workshop in Tuscany which has always been dedicated to producing handcrafted lampshades.

Choose the finish that best suits the style of the room you are decorating and complete your new lamp with the fabric-covered components, bulbs and cables from the Creative-Cables catalogue.

Attention! Bulb and lamp holder NOT included.
