E27 semi-flush metal lamp holder kit with concealed cable clamp

Finish: Brushed titanium

Description

The E27 semi-threaded metal lamp holder kit is used to assemble a wall, table or ceiling lamp with lampshade. The kit includes an E27 lamp holder with a semi-threaded sleeve, a metal cover cup and a concealed cable clamp, giving your installation an even more refined and elegant look.

The E27 semi-threaded lamp holder kit is for you if:

- you like to pay attention to details
- you want to make the most of your lampshade

Complete your lighting installation with Creative-Cables components, accessories, bulbs and textile cables.

The extra idea:

- Combine the lamp holder with a lampshade in the same finish for a harmonious effect: choose the Swing Lampshade.
