Mini Cylindrical Metal 1 central hole ceiling rose kit

Cable clamp: Conical

Finish: Brushed titanium

Description

The Mini Metal ceiling rose Kit with 1 central hole is used to assemble a wall or ceiling lamp with a single light source. Metal is a durable material that can be placed in many environments, whatever their style: no matter if minimal, Scandinavian, industrial or classic, you will find the right metal finish for you!

The Mini one-hole metal ceiling rose kit is for you if:

- you would like to create a lamp with a single light point
- you like a particular metal finish, such as brass or copper
- you like discreet solutions and prefer a minimalist style

Choose the finish that best matches the style of your interior and create your new pendant or wall lamp by completing the ceiling rose with accessories, bulbs and fabric-covered cables from the Creative-Cables catalogue.
