Tub-E14, wood and metal tube for spotlight with E14 double ring lamp holder

Finish: Neutro - Bianco opaco

Description

Tub E14 is the ideal wooden shade for all spotlight lovers.

This Scandinavian-designed wooden tube is designed to accommodate an E14 double ring lamp holder, and will allow you to create a beam of light that will highlight the details of your room.

By fixing it to one of our 2x0.75mm round or twisted cables allows you to create a unique single or multi-drop pendant. Use it in combination with our XXL ceiling roses to create a unique and original multi-drop ceiling pendant.

Tub-E14 is a versatile lighting solution that will allow you to illuminate rooms exactly as you wish.

You can also complement it with a small, flared LED bulb with E14 socket (such as R50) available in our catalogue!

Attention! Bulb NOT included.

Data Sheet

The lampshade kit consists of a wood and metal tube, and a thermoplastic E14 double ring lamp holder with cable clamp, ideal for creating a suspension by purchasing (not included) the textile cable and a ceiling rose rosette of your choice.
