N° of cores:: 3x0.75

Description

The original Creative-Cables.

Some call them colourful textile cables, others fabric covered cables, whilst others still simply call them coloured cables. But really, for over 10 years their real name has been Creative-Cables.

Our new classic cables are our newest, exclusive arrival here at Creative-Cables. 100% made in Italy with one-of-a-kind workmanship.

This fabric cover is in fact created with a new technique, called spiraled, that allows for a whole new level of brightness and gleam to the colour, combined with an exquisite finish.

The Country TN07 cable is reminiscent of Regimental colours, perfect in classic and traditionally elegant settings.
