Description

The original Creative-Cables.

Some call them colourful textile cables, others fabric covered cables, whilst others still simply call them coloured cables. But really, for over 10 years their real name has been Creative-Cables.

The union between Stone Grey and Ocean gives this cable an elegant yet vivacious touch: we recommend it in colourful environments, like a cheerful beach house!

Our bicoloured round cables are available in cotton or rayon.

The new patterns that we're introducing unite warm, vivacious colours with neutral tones, that, with the natural finish of cotton, make these the perfect cables for modern settings that are rich in contrast.
